

**About Eversheds Sutherland:**

Eversheds Sutherland represents the combination of two firms with a shared culture, values and commitment to client service excellence. We are each known for our commercial awareness and industry knowledge and for providing innovative and tailored solutions for every client.

As a full service law practice, we act for the public and private sector across the UK, Europe, Middle East, Africa, Asia and the US providing legal advice to clients across the Company Commercial, Employment, Labour & Pensions, Litigation and Dispute Management, and Real Estate practices.

With 74 offices across 35 countries worldwide, we have become one of the largest law practices in the world and a great place to work and develop your career.

**Europe**

We have offices in Austria, Belgium, Finland, France, Germany, Ireland, Italy, Luxembourg, Netherlands, Nordics and Baltics, Portugal, Spain, Sweden, Switzerland and the UK. We deal constantly with large-scale projects involving multiple jurisdictions as well as countless day-to-day activities that help our clients manage their operations across the world.

We have local knowledge, combined with an international overview, and complex European work is handled by some of the leading lawyers in the business. Our multi-office structure also gives us the flexibility to apply creative and competitive pricing solutions. From our European offices, we specialize in many areas. These include: banking, litigation/international arbitration, competition and regulatory, tax, financial services (including insurance, pensions and funds advisory), M&A and private equity, major international infrastructure projects.

In addition, we have experts in sectors such as real estate, consumer, energy and transport and technology
